Commission Gives Elba

Library \$5,000

The Coffee County Commission met in regular session on Monday, Nov. 10, at the Courthouse in Enterprise, and voted unanimously to give a \$5,000 donation to the Elba Public Library. A request for a donation came in the form of a letter from the Library Committee, and the commission agreed the new library could make good use of the \$5,000.

Monday's meeting actually began at 10:00 A.M., with all commissioners present. Present were commissioners Don Smith, Rex Boutwell, Max Reeves, Bennie Beckham, Glimmer Grant and Jack Hornsby, along with Probate Judge James Sawyer, Clerk Brunese Winston and County Engineer Bill McClain. Also present was commissioner-elect Charlie Mack Martin.

The first order of business was to open bids on wood products to be used in the Highway Dept., and the only bid received came from T.M.A. Forest Products. The bid was accepted after being studied by the engineer. It is that time of the year to name a bank as the depository for county funds, and 4 banks were represented at the meeting. Asking to be named as the county depository were The People's Bank, The Citizens Bank, Enterprise Banking Company and the Elba Exchange Bank. A decision on naming a bank was postponed until the next meeting.

The commission sent out 22 invitations to companies to make proposals for work on the Wilkerson Creek Watershed Project, and received 11 proposals. The low bidder was James E. Carter & Sons Soil Farm, in Andalusia, and the low bid was accepted.

The funding for the salary of Dennis Hobbs, the county's Felony Officer, again came under discussion, and the matter again proved to be confusing to all the parties involved. A grant of \$13,000 had been requested by a Law Enforcement Agency, of which the county would have to pay \$4,500, or 34% of the total. The commission agreed several weeks ago to continue Hobbs' employment, but only if the Sheriff's Dept. would cover all the expenses until funds became available.

County Attorneys Braxton Rowe and Joe Sawyer came during the afternoon session of Monday's meeting, and discussed a large pile of information the commission had acquired on recent trips to jail. The attorneys told the commission it needed to send out letters to some architects so it could receive written proposals for designing the jail. County Attorney Braxton Rowe stated, "Just give us what you've got and let us study it. We will then come back later and give the Commission a recommendation."

The commission gave all the reports to the attorneys and instructed them to report back on Nov. 24. In other action at Monday's meeting, the commission:

***was told by Eng. Bill McClain the county had received its first gasoline tax check since the 4 cent tax was added and that it was 12% less than the amount expected;

***received a plaque from New Brockton Elementary School Principal Charles Cole for services the county provided;

***and, agreed to meet with people from all parts houses to discuss a method of buying parts.

Elba's Gayle White Is Named Manager At TSU Branch

Gayle F. White has been named business manager of Troy State University Dothan-Et. Rucker. In making the announcement, Robert Paul, Vice-President, TSU-Dothan, stated this appointment was in keeping with the growth and development of the university.

Ms. White holds an undergraduate degree in Marketing and a Master's of Business Administration. She has been employed as an Assistant Professor in the School of Business since 1974. Previously she has held several positions, including that of consultant, systems analyst and president of Transition Services.

She was listed as an Outstanding Young Woman of America in 1976, 1977 and 1978, and was the City of Elba's Woman of the Year in 1977. She has been active in numerous local, state and national, civic and professional organizations.

John Earl Kyles was sentenced to 35 years in the state prison for the attempted murder of Paul Russell. The sentence was imposed Monday by Circuit Judge Riley Green.

Immediately after the shooting incident, this newspaper received several telephone calls indicating a widespread belief that no action would be taken by the court system because it was a case of a black man shooting another black man. However, close monitoring of the case soon showed those involved that the courts would prosecute this case as any other.

Willie Fred Frazier, age 26, wanted for escape from the Coire County Jail on September 6, was recaptured in Panama City, Florida, this week and returned to Coffee County on Monday. He was serving 10 years for assault and battery.

Reports are that he escaped three times during the September 6 weekend. He had been convicted once before for escape and had received an additional five-year sentence.

Lloyd Andrews, of Level Plains, who was convicted of armed robbery of the Riviera Motel in Elba was recently sentenced to life without parole in the state prison.

The long sentence was under a statute in the Alabama code allowing such sentence for habitual offenders. Court officials report Andrews had six previous felony convictions.

Ft. Rucker Pilots Escape Injury In Copter Crash

Six Army aviators from Ft. Rucker escaped injury at 9:20 Friday morning when two UH-1H helicopters collided in mid-air while on a training mission one mile southwest of Skelly Field. Skelly Field is a small training field used by the Army to train pilots in take-offs and landings. It is located south of the Basin Community and east of Perry's Store, about ten miles south of Elba, but still in Coffee County.

Herb Strickland, Ft. Rucker PIO, radios first official reports from the crash scene Friday morning.

One of the aircraft crashed uncontrollably into a swampy wooded area, and the main fuselage hit the ground intact and on its side. The three occupants broke out a top plexiglass window, crawled out and made their way out of the swamp into a nearby field. The other craft landed about 1/4 mile away in a soybean field, and the only visible damage was one main rotor blade that suffered damage on about twelve or fifteen inches of the blade end.

All six aviators were flown to Ft. Rucker by medical teams and examined at the base hospital.

Brig. General Carl McNair visited the crash site Friday morning while the investigation was getting underway, but had no comments as to the cause of the collision.

The Tennessee Attorney General's Office still is investigating the company and is considering a contempt citation.

Tag Season Ends Nov. 15th

The deadline draws nearer for purchasing license tags without a penalty. County and state business licenses are due by this Friday, and car tags must be bought by November 15 to avoid a penalty.

The Coffee County courthouse is open during the noon hour and on Saturdays until noon during this fall rush season.

Graddick Warns Of Travel Contest

Attorney General Charles A. Graddick has cautioned Alabamians in receiving postal cards from a company known as National Travel, Inc., in Sparta, Tennessee, that the business may be using deceptive practices.

Graddick said the card may lead recipients to believe they have won something, when, in reality, they must pay a fee of \$49.50 to receive a vacation to Florida. Consumers also must pay for the long-distance call to find out how to receive the trip, unless they send in their telephone bill to the company for a refund.

Some callers have been asked for a credit card number to be used to purchase a vacation. Graddick said that the purpose of the trip is to sell them real estate.

According to a consent judgement brought against the company by the Tennessee Attorney General's Office,

the card is not supposed to lead recipients to believe they have "won" anything. The card is supposed to inform them that it is an offer to purchase a vacation. When recipients call the number listed on the card, their questions must be answered honestly by the company. If the callers ask, they must be told that the purpose of the vacation plan is to sell them real estate.

Basin Youth Dies In Sunday

Tommy DeWayne Cauley, ten-year-old son of Mr. and Mrs. Tommy Cauley, died Sunday afternoon of a gunshot wound in the right chest. He was a 5th-grade student at Kinston High School, and lived in the Basin Community.

Sheriff Bruce Paul reported that the youth was shot accidentally in a hunting accident. He was hunting with a .410 shotgun, loaded with 7.5 shot. With him was his seven-year-old brother. The gun discharged, either when it was pulled, or when it was fired.

The youth was rushed to an Opp hospital where he died about 5:45 p.m. Tommy was the oldest of three Cauley children, and those who knew him report he "was a good child."

Funeral services were held Tuesday afternoon (See obituary notices inside.) The youth played Little League football and was buried in the football jersey he was wearing in the above picture.

Investigating the accident along with Sheriff Paul was Opp Police Chief Jerry Branson and the Coffee County

POOR ORIGINAL

Brainstorms

With Ferrin Cox

The most important item of the day is "Who Shot J.R.?" The weekly soap opera is back on the air with the continuing saga of the mean ole Texas oil man and his family and problems. Now, someone has shot J.R., and suddenly it is the most talked-about show on the tube. We still predict that the interest in the show will drop when the puller of the trigger is finally found and convicted.

The word we get from inside the Alabama Highway Department is that the official public hearing on the much-discussed "connector road" around the Brundidge Highway to the Kinston Highway will be held on January 8. This could change, but is probably the date for the hearing. The actual purchase of right-of-way will begin in the spring. We are still several years away from riding on the road, but some progress is being made.

The football season is over in Elba, and except for the Enterprise Wildcats, for all of Coffee County. We will probably watch part of the Saturday game of Alabama-Notre Dame on the tube, but basically we are through with football for the year. . . and tired enough to be happy the season is over.

It looked like the folks tearing down the high school wing were moving mighty slow until this week when they started knocking down the wall. By the time this reaches the readers, there probably will not be anything left to see except a hole in the ground where the foundation was ripped up. The official deadline for completing the project (according to the contract) is September 12, 1981.

The Elba High School band has put up its marching shoes for the year. We are not sure just who is more thankful for this . . . the directors, the parents who travel with the band . . . or the students themselves. They have had a good year marching and now are shooting for a good year of concert music.

Our reports from the Highway Department also indicate contracts have been let to do some work in the "big hole" at the intersection of the Opp Highway and Reese Street (Kinston Highway). They are going to put in new, larger pipes under the highway and fill in the hole. This thing always fills up during a heavy rain, creating a bad danger spot. The plans for the work have been ready for some time and we salute those responsible for getting this work underway.

The Elba city fathers are actively considering passing of a dog leash law. What this usually means is that all dog owners must keep their pets either in a pen or tied at all times. Often we hear folks complain that they didn't know a particular action was being considered, and if they had, they would have done something or other. The mayor and councilmen have mentioned several times to ye ole editor that they want the public informed of this and want comments pro and con. P.S. An official check by Councilman Inman indicated 31 people were treated for dog bites in Elba during the past six months.

We are going to try the new driver simulator machines at the Elba High School right away. There are some thoughts circulating that ye ole editor doesn't have the ability to drive the course successfully, but we will show them! The machines are officially in operation now and promise to give Elba Driver Education students much more experience and training in the subject. We are excited to see school officials install the ten machines.

We do not know the situation with the Alabama Democratic Party and Chairman George Lewis Bailes, but personally feel he has got to go. If the Democrats ever plan to get the support of veterans, their families and others who feel he put his foot into his mouth, then they must ask for his resignation or just fire him. We deplore the stupid statement that questioned the mental ability of Admiral Denton as the reason he was captured . . . then the hard-headed rascal almost refused to apologize.

Aside from the politics in the Bailes matter, we have a strong belief that so often war destroys or maims many of the finest minds our parents brought into this world. We don't mind being accused of undue flag-waving when we express strong emotions for those who made, or offered to make, the supreme sacrifice to defend our freedom. If Mr. Bailes or any other wants to show us we are wrong, we suggest they lead the next charge into the machine-gun nest or anti-aircraft flak.

self! Have your blood pressure checked!

Hypertension is a very common condition in adults and about twice as common in blacks as in whites. It has been shown that hypertension is an important risk factor in cardiovascular disease, and especially in stroke.

Our goal is to improve community blood pressure control efforts, to expand the frequency with which hypertension is detected and bring increased percentages of hypertensives under control, expand the vigorous management of the blood pressure to achieve levels within normal range.

For the citizens of Elba, our Hypertension Screening Clinic is on the first and third Thursday of each month at the Health Department from 9:00 A.M. - 4:00 P.M. We urge you to come in and take advantage of this service provided by your Alabama Department of Public Health.

Sincerely,
MRS. ANN EDWARDS

Dear Mr. Cox:

I would like to take this opportunity to thank you for the excellent coverage given this health department on our flu shot drive recently. The immunization of the elderly and the chronically ill was considered to be very successful.

I would appreciate it if you could find space for an article for an equally important health problem - high blood pressure - Hypertension.

Take time out for yours.

Brainstorms

With Ferrin Cox

The most important item of the day is "Who Shot J.R.?" The weekly soap opera is back on the air with the continuing saga of the mean old Texas oil man and his family and their problems. Now, someone has shot J.R., and suddenly it is the most talked-about show on the tube. We still predict that the interest in the show will drop when the puller of the trigger is finally found and convicted.

The word we get from inside the Alabama Highway Department is that the official public hearing on the much-discussed "connector road" around from the Brundage Highway to the Kinston Highway will be held on January 8. This could change, but is probably the date for the hearing. The actual purchase of right-of-way will begin in the spring. We are still several years away from riding on the road, but some progress is being made.

The football season is over in Elba, and except for the Enterprise Wildcats, for all of Coffee County. We will probably watch part of the Saturday game of Alabama-Notre Dame on the tube, but basically we are through with football for the year. . . and tired enough to be happy the season is over.

It looked like the folks tearing down the high school wing were moving mighty slow until this week when they started knocking down the wall. By the time this reaches the readers, there probably will not be anything left to see except a hole in the ground where the foundation was ripped up. The official deadline for completing the project (according to the contract) is September 12, 1981.

The Elba High School band has put up its marching shoes for the year. We are not sure just who is more thankful for the . . . the directors, the parents who travel with the band . . . or the students themselves. They have had a good year marching and now are shooting for a good year of concert music.

Our reports from the Highway Department also indicate contracts have been let to do some work in the "big hole" at the intersection of the Opp Highway and Reese Street (Kinston Highway). They are going to put in new, larger pipes under the highway and fill in the hole. This thing always fills up during a heavy rain, creating a bad danger spot. The plans for the work have been ready for some time and we salute those responsible for getting this work underway.

The Elba city fathers are actively considering passing of a dog leash law. What this usually means is that all dog owners must keep their pets either in a pen or tied at all times. Often we hear folks complain that they didn't know a particular action was being considered, and if they had, they would have done something or other. The mayor and councilmen have mentioned several times to ye ole editor that they want the public informed of this and want comments pro and con. P.S. An official check by Councilman Inman indicated 31 people were treated for dog bites in Elba during the past six months.

We are going to try the new driver simulator machines at the Elba High School right away. There are some thoughts circulating that ye ole editor doesn't have the ability to drive the course successfully, but we will show them! The machines are officially in operation now and promise to give Elba Driver Education students much more experience and training in the subject. We are excited to see school officials install the ten machines.

We do not know the situation with the Alabama Democratic Party and Chairman George Lewis Bailes, but personally feel he has got to go. If the Democrats ever plan to get the support of veterans, their families and others who feel he put his foot into his mouth, then they must ask for his resignation or just fire him. We deplore the stupid statement that questioned the mental ability of Admiral Denton as the reason he was captured - then the hard-headed rascal almost refused to apologize.

Aside from the politics in the Bailes matter, we have a strong belief that so often war destroys or maims many of the finest minds our parents brought into this world. We don't mind being accused of undue flag-waving when we express strong emotions for those who made, or offered to make, the supreme sacrifice to defend our freedom. If Mr. Bailes or any other wants to show us we are wrong, we suggest they lead the next charge into the machine-gun nest or anti-aircraft flak.

CHRISTMAS PARADE

Elba's Annual Christmas Parade sponsored by the Elba Jaycees will be held on Saturday, December 13, 1980 at 2:00 P.M.

The parade will consist of the Elba Marching Tigers, New Brocton, Kinston, and Zion Chapel Bands. Plus many other entries and floats with the main attraction being Santa.

If any individual, group, club, or any beary queen who would be interested in being in the parade, contact Jimmy Wise at 897-2457 or Joey Holley at 897-5342 or any Jaycee member as soon as possible.

Those dis'charged during the same time include the following:
Ervin Blackmon, Natasha Edwards, Bradley Tillis, Totsey Corley, Danette Hattaway, Annie Swain, Clovi Flowers, Regina Smith, Mary Kelley, Belinda Harrison, John Coleman, Weader Danley, Hudson Ennis, Ruth Messick, Eugene King, Jessie Hughes, Mary King, Dotsie Herron, Randle Moore, Kevin Moore, Lola Gray, Lucille Jackson, George Grider, Jeffery Watson, Sally Bigger, Pearlie Cook, John Phillips, Ray Ammons, Sharon Johns, Sally Tidwell, Sue Parrish, John Moore, Mary Holland, Peggy Kysar, Sherrie Maddox, Cathy Berry, Harvey Wambles, J.L. Smith, Pattie White, Annie Jones, Angela Edwards, Donna Norris, Vera Bryan, Willie Taylor, Jr., Florence Moore, Robert Knighten, Burnice McLendon, Dana Dean.

Many volunteers have helped in the move to the new building and each had been very helpful, but special recognition should go to Susan Taylor, Doris Taylor and Charlotte Clark. Mrs. Dowling praised Susan for being so smart and tireless in sacrificing her valuable time to the packing and shelving of books. And daily one can find Doris and Charlotte stripping old paint and varnish from pieces of furniture, and you can see the pride and love that goes into it as they hand-rub each piece.

We appreciate you, ladies and all of the citizens of Elba will enjoy our lovely new library more because of your efforts.

Sincerely,
MARTHA FLEMING

REV. FRED A. FOWLER
Mt. Gilead Baptist Church

WHY WORRY?

"Do not be anxious about anything, but in every thing, by prayer and petition, with thanksgiving, present your requests to God." (Phil. 4:6)

when we might float by faith.

Oh, for grace to be quiet. Oh, to be still and know that Jehovah is God. The Holy One of Israel must defend and deliver His own. We may be sure that every word of His will stand, though the mountains should depart. He deserves to be confided in. Come, my soul, return unto thy rest, and lean thy head upon the bosom of the Lord Jesus.

Smokeout Day To Be Held

Trying to kick the smoking habit is not easy or fun. Surveys show that 90 percent of the 850,000 Alabamians who smoke would like to quit but have been unable to stop.

The American Cancer Society (ACS) is currently providing programs in local communities throughout the state aimed at helping those who want to quit smoking.

One of the events annually sponsored by the cancer society is the Great American Smokeout Day. This year smokeout day is scheduled for Thursday,

November 20 and ACS, through local information and education programs, is asking every Alabama smoker to stop for one day.

Council On Arts Is Sponsoring Contest

The Alabama State Council on the Arts and Humanities (ASCAH) is sponsoring a competition for Alabama artists to commission the design and execution of a work of art to be presented to the winners of the Governor's Art Awards.

The competition is open to all artists who are residents of the State of Alabama. Work in any medium will be considered by the judges. Works should not exceed 10' X 17' and should be of a weight easily handled. A minimum of 17 identical pieces will be commissioned at a price not to exceed \$100.00 each. All work must be prepared and delivered to ASCAH offices in Montgomery by January 26, 1981.

Deadline for entries is December 15, 1980. Artists should submit either a model or the proposed work or slides of the finished art work. Past commissions have been granted to potters, sculptors and printmakers.

The awards will be presented to the winners of the First Annual Governor's Art Awards Conference to be held January 31, 1981, at the Holiday Inn East, Montgomery.

Brochures and entry forms are available at ASCAH's offices and local arts councils.

to excel "Elm Court." It contains an unusual family collection of furnishings as well as the terrace garden, plus the excavated pit used to manufacture gas for lighting of the mansion in the 1850's.

One could spend days in this historic place and cover much Southern history. There are the most exquisite craft shows, and much real live entertainment. "Boleah Land," that premiered in October, with many Hollywood greats participating, was filmed in Natchez. The story of Boleah Land was connected to plantation life among the colonies in the South.

All in all, Lloyd, Cupidean and Mae can give you a glowing report.

***One of New Brockton's lovely and useful ladies - Mrs. Jim Mack Dismukes - delighted me with a lovely afternoon's visit. She intended to visit with her sister, Mrs. Nellie B. Maddox, an efficient nurse at Elba General, but things didn't pan out, and the result was my enjoyment. She shared the recent New York St. Lawrence Seaway tour with me. Oh, it sounded so interesting, as Betty Dorsey had already informed me of what I had missed.

***It is magnificent to grow old if one keeps young" - how well said, when you are applying it to one of Elba's favorites, Mrs. Zelma Rowe Brunson. A few days ago she celebrated her 91st birthday at the home of grand "gh"ter, Mrs. Linda Johns, in Mt. Pleasant Community.

Family members present for this happy occasion were Mrs. Margaret Smith, Norman, Linda, Tony and Sophia Johns, Paula McCollough, Angelyn and Max Holley, Sheila, Sonya and Ronnie Danford, and a special friend, Sara.

For Mrs. Brunson, this was a day of happiness. She not only enjoyed her birthday with the Johns family, but she was present for Sophia's wedding a few days later. Sophia had another great grandmother present at her wedding - the lovely Mrs. Lena Grimes, of Curtis. However, for the bride's mother to sing at her daughter's wedding, as Linda did that is something special, and Mrs. Brunson stated that it was worth the ride to Mt. Pleasant just to hear Linda's rendition of "The Lord's Prayer."

***Mr. and Mrs. Jimmy Westbrook (Harris Collier) of Birmingham, enjoyed the weekend with her parents, Mr. and Mrs. Sam Collier, on East Davis.

***The relatives and friends

made in a day, And many of the obstacles found on the way. But he who keeps climbing, whatever besets, He who keeps reaching up - usually gets.

The future belongs to those who say, "I will do my best today."

Energy Assistance Program Being Offered

Although final plans have not been completed, Coffee County residents should have an opportunity to apply for the Low-Income Energy Assistance Program during the month of January, Ron Smith, Director of the Coffee County Department of Pensions and Security, announced. The date that applications will begin to be taken has been changed from December 15, 1980 to

January 5, 1981. Applications will be taken at the Community Room in the Coffee County Office Complex in New Brockton.

This assistance, which is intended to help low-income families recover part of the money spent for high winter heating bills, will consist of a single check mailed in late February to each eligible family.

The amount of the check

has not been determined, but the director expects the amount will be less than \$75. He pointed out that the Department of Pensions and Security has a fixed amount of money to spend on the program, so the amount of each assistance check will depend largely on how many families qualify for the program.

Income eligibility levels for the program are extremely low. A person living alone must have a gross income of \$333 or less per month in order to qualify. A two-person household can have a monthly income of \$500 or less, and a household of three or more must have

an income of \$666 or less a month.

Smith stressed that anyone who applies for the program must be able to verify household income. Such verification might consist of a written statement from an employer, a photocopy of a social security check, or other evidence of income. In most cases, the Director said, the head of the household must apply in person, but, if disabled or over 60, he or she can designate someone to apply in behalf of the household.

"Eligibility will be based on gross income in the month before the application is made," said Smith. "This means, since applications will be taken starting January 5, 1981, that you must be able to show your income for the month of December."

Mr. Smith said that the checks should be mailed out to qualified applicants near the end of February. He said also that no one will receive a check for energy assistance before that date because no payments will be made until eligibility for all applicants has been determined.

Mr. Smith said that the checks should be mailed out to qualified applicants near the end of February.

SPURWEED CONTROL
Quite a few lawns in Coffee County are becoming infested with spurweeds. A spurweed is a tiny, low-growing plant that produces sticky spines. If you have an infestation of them, you can't walk barefooted on your lawn.

If you have a spurweed problem, get some Bala granules and put them out on your lawn now and again about the first week in February. Use three pounds of the granules per 1,000 sq. ft.

Balan should keep a lot of the spurweed and many other noxious weeds from germinating. Spurweed that comes up can be sprayed with materials such as Treen or Trimec. Apply either one of these materials in the winter months after weeds come up.

We hope to have additional information on spurweed control. Stay in touch with us at the Extension office.

SPECIAL AWARDS
Dr. Tim Miller, director of the Diagnostic Lab in Elba, is a great supporter of 4-H Club work. He visited this week to talk with 4-H agents Jack Tatum and Angela Hughes about a special 4-H awards program that he hopes the Elba Rotary Club can get underway.

The Miller's children, Tom and Maria, grew up in Dothan and were nationally recognized 4-H Club members.

We appreciate the excellent support given to the 4-H youth program by business and professional leaders in this county.

INCOME TAX
We are arranging two income tax meetings to be held here at the Farm Center this month. The first one will be Tuesday, November 18. It will be primarily for the crops and livestock producers and will begin at 6:30 p.m. in the Community Room.

We have a number of experts who will discuss things like investment credit.

depreciation, net operating losses plus other items which farmers often overlook. Mark your calendar now for this November 18 meeting on farm income tax at 6:30 p.m. The second meeting on income tax will be held at the Extension office on Tuesday, November 25. This will be primarily for landowners wanting to learn more about how to handle timber income. I will give more details on this meeting later.

FARM-CITY WEEK
Plans are shaping up nicely for the Farm-City Week observance in Coffee County. Farm-City Week will begin on Friday, November 21, and extend through Thanksgiving on the 27th.

The Agriculture Committee of the Enterprise Chamber of Commerce has just about completed plans for some super activities that week. Martin Moates is serving as chairman of this committee again this year.

You will be hearing more about the observance in a few days. A lot of organizations in the county and city will be participating in the observance.

BROILER LITTER
Coffee County broiler producers can help cattle producers during this period of high feed costs. A few cattle producers in Coffee County are already feeding some broiler litter as part of the ration. In fact, they have been doing this for several years. With the increasing costs of grain and concentrates, broiler litter is becoming more and more valuable.

Of course, some broiler growers are also using their litter. Others who are not feeding it to their litter to neighbors to be used as a feed or fertilizer.

We have a fact sheet entitled, "Broiler Litter as a Cattle Feed." It gives various combinations of broiler litter to use with different types of grains and concentrates. If you would like to have one, call us and we will get it in the mail to you.

Farmers Need To File

Disaster Claims

Corn and wheat crops damaged during the drought this summer may be covered under the disaster payment provisions of the 1980 farm program.

Payments are authorized for a farmer whose crop yield is less than 60 percent of the established yield for corn and grain sorghum and wheat. "This payment is based only on crop production losses below 60 percent," Rolan Day, Chairperson of the Coffee County Agricultural Stabilization and Conservation Committee, said. For rice and upland cotton, the disaster payment is based on

production losses below 75 percent.

To qualify for disaster payments, farmers need to have an accurate acreage report on file at the ASCS office. "The claims must be filed within 15 days after harvest while evidence of the damaged crop is present," Day said. Farmers are required to notify the agency before destroying or replanting crops.

The ASCS official advised farmers to keep crop production separate by farm and to include weight tickets when submitting disaster claims.

Open House To Be Held

At MacArthur Tech

Open house will be held at MacArthur State Technical College, Friday, Nov. 21 from 8:00 until 10:00 a.m., in observance of their 15th anniversary.

An anniversary program will begin at 10:00 in the Student Center. The guest speaker will be Dr. Louis Armstrong, assistant to the president of Stanford University. Armstrong was Gen. Douglas MacArthur's chaplain during World War II.

Immediately following the program, a reception will be held.

The public has a cordial invitation to join the students, faculty and staff in helping celebrate this special occasion.

One ladybug can eat up to forty or fifty aphids a day.

ACLD To Meet November 20

The Coffee County Association for Children with Learning Disabilities (ACLD) will hold its regular monthly meeting on Thursday, November 20, at 7:30 p.m. in the dining room of Coffee General Hospital, Enterprise.

Mrs. Jenn Lind Coe, of the Enterprise City School superintendent's office, will present a program on reading problems.

Interested parents and professionals are invited to attend. For further information, call 347-8649.

WFGP Opens New Sale Barn

The Wiregrass Feeder Pig Association has opened their new sale barn. Participating in the ribbon cutting ceremony are from left - Dr. J. Michael Spott, Dean of Extension and Director of Alabama Cooperative Extension Service; Rep. Gene Daniels of Samson; Sen. Earl Goodwin of Selma; Terry Huff from New Brockton, director of the Wiregrass Feeder Pig Association from Coffee County; Sen. Chip Bailey of Dothan; and Sen. Wallace Miller of Enterprise. The Wiregrass Feeder Pig Barn is owned by feeder pig producers in the Wiregrass area. Their sale is on the 4th Monday each month.

Elba closed-out its football season with a big win last week over Brundidge and the win should prove to be a real shot in the arm to our program. Elba got off to a fast start this season and was ranked number 1 in the state for over 6 weeks, but then a combination of mistakes and injuries hit at the same time and the Tigers lost 3 games during the month of October. The three losses put a cloud over Elba's once sunny program, and a loss to Brundidge might have signaled the end to the Tigers' domination on the gridiron. However, Elba's seniors put it all together one last time and rolled to an impressive win over a very good Brundidge team. The win upped Elba's record to 24-7 during the past three years and puts the program back in a winning spirit for next year!

I noticed a lot of bright spots in last week's win, the brightest of which was the play of our offensive line. Our linemen dominated the trenches and that was the difference in the game, because if we hadn't put together a couple of long, time-consuming drives, Brundidge's high-powered offense may have scored enough points to put the game out of reach. While on offense, I must also brag a little on junior quarterback Mike Amison. Amison played an outstanding game both passing and running, and his execution was flawless. He should be a very important part of our club next season.

On defense, it looked like Eddie Coleman and Doug Daniels were involved on almost every play. Eddie, who is just as strong as he is fast, roamed the field looking for people to hit, while "Big Doug" had one of his best games ever. Doug improved by leaps and bounds during the season and could be a "sleeper" for a college needing a lineman. A couple of youngsters that caught my eye were defensive-tackles Ken Owens and Shane Meek. Both of these young men made some big plays, and though I'm sure they made some mistakes, they showed promise.

Hey, folks, we've got some good players coming back next year and I'm looking for another big year.

It was a very good week for all the high school teams in Coffee County last week, as our teams posted 5 wins and no losses. Four of the county teams finished with winning records, and while Zion Chapel didn't, they had a strong 1A club and could hold their own with any team in their class. Ain't no doubt we've got a "Football County."

The local football scene was filled with action last week and there were quite a few interesting games. Here are the highlights:

***Opp claimed its first victory over Andalusia in 11 years with a 24-17 win in overtime, and the Bobcats finished the season with 7 straight wins;
***Eufaula won its third straight Area crown with a narrow 7-6 win over Smiths Station, and if they get by Troy they could go all the way;
***Daleville pulled a shocker with a 22-21 win over Ashford, and finished the season with an 8-1 record;
***Dothan claimed its first win ever over Northview by taming the Cougars 19-7;
***and, Dale County wrapped-up a perfect season (0-10) by losing to 4A whipping boy Ozark 20-13.

If you stop by any local schools and hear a strange sound, it may just be a basketball bouncing off the hardwood. Basketball season is already here and it should be quite a season for all the county teams. Enterprise, New Brockton, and Kinston are all among for the state tourney, while Elba should be much improved, and Zion Chapel should be ready to return to the winning ranks. It looks like an exciting season!

Ye ole Polish Prognosticator brought in a few playoff picks this week and proudly reminded everyone he had hit on 24 of 30 picks this season, for an excellent 80.5%. Before leaving he said the "Polish Prep Poll" would return in December, which lists the top cage teams in south-Alabama.

Here are this week's picks . . .

EUFULA VS. TROY
This one should be a defensive battle, with the team making the fewest mistakes coming out on top. Troy's kicking game could be the difference!

ENTERPRISE VS. BALDWIN COUNTY
How did the S-S Tigers make the playoffs? This one should merely be a warm-up for the Wildcats!

Enterprise 35 Baldwin Co. 0

SAMSON VS. MCKENZIE
These two 1A clubs are unbeaten powerhouses in every since of the word, and it should be one of the top games of the year! The home field advantage could be the deciding factor.

McKenzie 14 Samson 8

Other Picks:

Thomasville 20 Greenville 19

Headland 28 Florala 13

Notasulga 32 Arton 0

Lee 17 Parker 14

Prisco City 20 Leroy 6

Goodman

The New Hope Junior High Wildcats opened their basketball season on a winning note last week when they pounded the Goodman Eagles 68-29 in Goodman.

Willie Sherman scored 22 points to lead New Hope, while Terry Haynes added 20 and Terry Newson scored 12. Also scoring were Ken Downing 4, Frankie Downing 4, and Greg Flowers 6. The Wildcat defense was paced by Terry Newson and Jeff Wilkinson.

In the 8th grade game, Marlin Jackson scored 17 points to lead New Hope to a 35-21 victory.

New Hope's next regular season game will be on November 17 at Arton, while their home opener will be November 20 against Dauphin.

son with a 7-3 record.

"It was a pretty good game," stated Elba's Coach Mack Wood, "and it was a good finish to a season that wasn't bad, but wasn't great."

We were maybe a little loose on defense, but give Brundidge credit - they did a good job on offense and ran the ball well. Brundidge played especially well in the first and third quarters, and had a good game plan. However, our boys came through when they had to, and twice stopped Brundidge deep in our territory. I'm proud of our team for the effort they gave throughout the game."

"We played with consistency on offense," added Wood, "and only had one fumble and one turnover. Our offense did a good job of

moving the ball and Mike Amison did an outstanding job at quarterback. We only ran a running play all night, but our linemen blocked well and opened the holes for our backs to run through. The best part of the win was our coming out against a good team and doing what we had to do to win. We might have taken them a little lightly, but we came through when the chips were on the table, and pulled out a solid win. It meant a lot to all of us to close out the season with a win."

Looking back over the season, Wood commented, "I am really proud of our seniors. They went 8-2, 9-1 and 7-3 in their 3 years of football, and that's quite a record. Everyone was dis-

appointed we didn't win more games, but we're in an area with a lot of good teams, and if you don't play good every night, you'll get beat. If not for our injuries and mistakes, we might could have won the area, but I'm not that disappointed. We made a lot more mistakes than we'd have liked to, but I'm proud of our kids that hung in there and took up the slack all season. They deserve the credit because they gave a lot of effort!"

Rebels Shine In 27-6 Victory

Zion Chapel's John David Parker (84) turns upfield behind the block of Jimmy Vance (28) enroute to a big gain.

BY: GREG BRUNSON

The Zion Chapel Rebels used a big play offense in the second half to break open what had turned into a defensive struggle this past Friday night, to end the season with their second straight victory.

The Wicksburg Panthers took the opening kickoff and drove in 14 plays from their own 30-yard line to the Zion Chapel 20. On fourth and 1 at the 20, the Rebel defense rose up and stopped Randy DeLeon for no gain.

The Rebels were unable to move the ball on their first possession and were forced to punt. Wicksburg was also unable to move and were faced with a 4th and 5 at their own 44. Jeff Woodham was dropped for a 19-yard loss because of a bad snap from center. This gave Z.C. the ball at 25 of Wicksburg.

The Panther defense held forcing a 34-yard field goal attempt by Boyd Deal. The kick sailed just wide to the left, but the distance would have been good from 50 yards.

Next, the two teams exchanged turnovers, as John David Parker intercepted a Chuck Hartzog pass and then fumbled after two very good rushes.

The Rebels' next scoring chance came on the last play of the first half. Boyd Deal tied up to kick a 32-yard field goal; however, the holder wasn't able to handle the snap, so the try failed.

Zion Chapel took the second half kickoff and put the ball in play from their own 36-yard line. Seven plays later, Walter Adair cracked through for the last endzone. Deal added the P.A.T. making the score Zion Chapel 21 - Wicksburg 0 with 7:37 to play in the ballgame.

The Panthers then drove the ball 56 yards in 9 plays with Mark Snow carrying the last two yards for the touchdown. The pass for two was broken up by Andy Cape which held the score at 21-6 with 3:54 remaining in the ballgame.

The on-side kick was recovered by Wicksburg, but it didn't travel the required 10 yards which gave the Rebels a first down on the 48 yardline. Ten seconds later, Walter Adair carried the ball into the endzone for the third time in this ballgame. Tony Johnson jumped the line and blocked the point after.

The Rebels' defense held again giving the ball back to the offense on the Z.C. 49-yard line. On the first play, Tony Calhoun pitched out to John David Parker and then raced downfield to throw a beautiful block which led the way to a 44-yard gain. Jimmy Vance carried the last 7 yards into the end zone with 6:09 left in the third quarter.

New Brockton's last score of the game came on a 4-yard run by Ricky Gilley. Weeks' PAT made it 33-0. The Gamecocks totally stopped the Rebels from the opening gun and made their record 7 victories against 3 defeats.

Rebel quarterback Tony Calhoun (11) drops back to pass as a host of Wicksburg defenders applies a heavy rush.

The Panthers then put together a big 14 play drive which ended on the Rebel 2 yard line. A big punt by Calhoun and the fiery Rebel defense gave Zion Chapel the ball on their own 34 yard line. One play later, Walter Adair took a straight handoff and raced 66 yards into the endzone. Deal added the P.A.T. making the score Zion Chapel 21 - Wicksburg 0 with 7:37 to play in the ballgame.

Walter Adair lead the Rebels rushing attack with 198 yards on only 7 carries.

That figures out to be 28.3 yard average per carry. Good job.

Walter, John David Parker raced for 71 yards on 12 tries while Jimmy Vance gained 24 on 7 rushes and yards on only 5 tries. Andy Cape lead the "Rugged Rebel" defense with 10 individual tackles and 16 assists.

Terry Brunson also had a big game (9, 3A) as did Blair Hurd (7, 11A) and Boyd Deal (3, 8A).

Rebel coaches Jeff Kelley, David Collins and Ray Marler watch as their team drives for a touchdown.

Gamecock Pride

BY: JIMMY JACOBS

The New Brockton Gamecocks capped a tremendous season last Friday night by defeating the Rebels from Long High in Skipperville 33-0. The Gamecocks, under 2nd-year Head Coach Leavy Boutwell, posted an amazing 7-3 record.

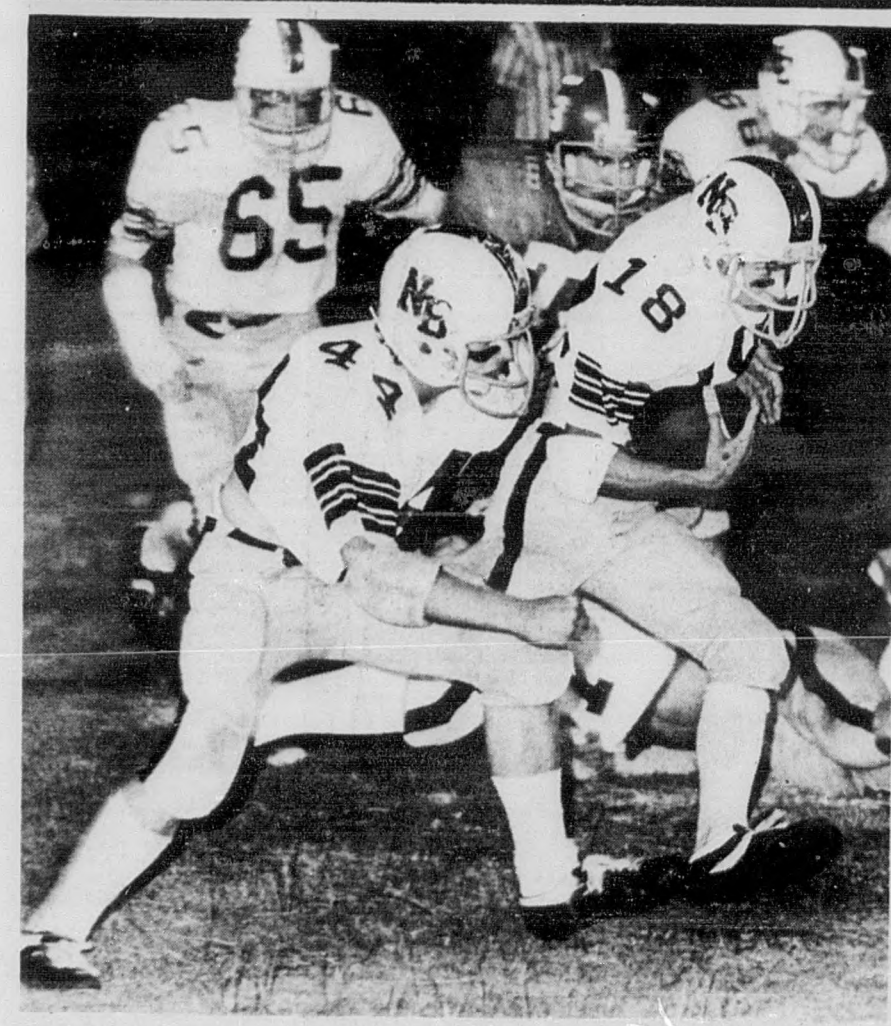

This season will go down as a winning season in the record book; however, any Gamecock fan or player will tell you it was more than just a winning season. It was simply amazing due to the fact New Brockton started the season with 7 seniors and finished it with 4 playing and 3 on the sidelines with serious injuries, cracked ribs, broken ankle, and a messed-up ankle.

The Gamecocks started 11 different players for each of the 10 games. Anyone that knows football can readily appreciate what the depth chart can do for you. Boutwell used his limited depth chart to perfection, thus more than just a 7-3 season, but a season that has some meaning to it.

This season is a tribute to the New Brockton Gamecock squad, from the coaching staff to the managers to the players, to the whole town of New Brockton. The idea of football is catching on there, and looks like it has a tremendous future.

The Gamecocks have no playoff game to go to this week, but I guarantee you if they did, they would be in it to the end - win, lose or draw.

Until next year...

Gamecock halfback Ricky Sipper (18) heads outside for a big gain. Teammate Kelley Tindol (44) provides an escort on the play.

New Brockton's Joseph Burrows (42) tries to go over the top for a score.

Brockton Blanks Long

BY: JIMMY JACOBS

The Gamecocks from New Brockton boosted their record to 7-3 with a thrilling 33-0 victory over the Rebels from Long High last Friday night in Skipperville. The Rebels won the toss

and could not muster a first down, and on 4th and long, attempted to punt. An onrushing Gamecock blocked it from Long High last Friday night in Skipperville.

The Rebels won the toss

Five plays later quarter-

back Keith Roberts drove over from the 1-yard line; Kevin Weeks' PAT made it 7-0, with 7:54 left in the first quarter.

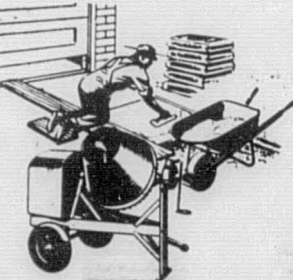

Robbie Shepard added the 2nd TD of the night on a 6-yard reception of a Roberts pass. Weeks' PAT was wide and the Gamecocks led 20-0.

In the opening drive of the third period, the Gamecocks' Kelley Tindol broke loose on a 54-yard ramble to set up Roberts' 1-yard plunge for the TD. Weeks' PAT was wide and the Gamecocks led 20-0.

With 4:10 left in the third quarter, Joseph Burrows broke free and rambled in from the 84-yard line. The try for 2 was no good and the Gamecocks halfback commanding 26-0 lead.

New Brockton's last score of the game came on a 4-yard run by Ricky Gilley. Weeks' PAT made it 33-0. The Gamecocks totally stopped the Rebels from the opening gun and made their record 7 victories against 3 defeats.

Tigers Outscore Brundidge 27-12

Sophomore receiver Brad English (80) pulls in a touchdown pass as the Tigers begin to pull away.

Elba cheerleaders Lynn Mills and Beverly Boutwell had plenty to cheer about in win over Brundidge.

The Elba Tigers ended the 1980 football season just like they started it -- with a victory! The Tigers, playing only for pride after 3 disappointing losses, came back from an early 6-0 deficit to roar into a 20-16 halftime lead and held on to bury the Brundidge Bulldogs 27-12, last Friday night in Brundidge.

The win gave Elba a final record of 7-3, while the loss left Brundidge with a fine 6-4 slate.

Elba won the toss and elected to receive, but bobbled the opening kick and had to recover the fumble way back at the one-yard line. Don Horstead bulled out to the 10-yard line on 3 carries, but the Tigers had to punt and Brundidge took over on the Elba 38. Brundidge quarterback Steve Wilson passed to Doug Reynolds on 1st down for an 11-yard gain, and following a penalty, Wilson went back to the air and hit by Hugh for a 10-yard gain. Doug Reynolds got the call on the next play and stunted Elba by racing 22-yards for a touchdown. The extra-point was blocked by Eddie Coleman, but with 8:10 left in the opening stanza, Brundidge owned a surprising 6-0 lead!

Brundidge attempted an onside-kick following the score, but Elba recovered the short kick and went to work on the Bulldog 49-yardline. The Tigers made it look easy this time and drove 49-yards in only 4 plays to tie the score at 6-6. Don Horstead ripped for 10-yards on first down and a 15-yard penalty for a late hit gave the Tigers a first down at the Brundidge 24-yardline. Bobby English and Horstead got it to the 11 on two good runs, and then quarterback Mike Amison swept-in for a score. A two-point conversion attempt failed, but Elba had now tied the score at 6-6 with 6:33 left in the first quarter.

Brundidge had to punt on its next series and Elba took over on the Bulldogs 43-yardline. The Tigers again proved they were ready to play, and marched 43-yards on 7 running plays to take the lead for good. Mike Amison and Bobby English ran for a total of 25-yards during the drive, with speedy Don Horstead getting the remaining yards, and the touchdown, as he blasted over from 4-yards out a two-point conversion try again failed as Elba's lead remained at 12-6 with 1:16 left in the first quarter.

Brundidge star Doug Reynolds took the ensuing kick and headed upfield, only to get blasted by Elba's Eddie Coleman and he coughed up the ball. Freshman kicker Dwayne Hooks recovered the fumble to put the Tigers right back in business at Brundidge 33-yardline. Two running plays were wiped-out by a penalty, which left Elba facing a third-down and 10. The Tigers decided to go to the airways, now, and hit 3 straight passes to reach paydirt! An 18-yard pass to Chris English and a 5-yard screen pass to Bobby English got Elba close, and then Mike Amison lofted a 10-yard touchdown pass to Brad English. Amison passed to Chris English for the two-

point conversion, and Elba was in charge, owing a 20-6 lead with 9:20 left in the second quarter.

Brundidge put together a drive of their own on their next possession and covered 66-yards in 9 plays to reach a first down at the Elba 13-yardline. The Tiger defense rose-up behind the play of Ken Owens and Greg Hudson, however, and turned back the threat as a 28-yard field-goal attempt sailed wide. At halftime, Elba owned a 20-6 lead, and appeared to be in total command!

Brundidge wasn't impressed, however, and took the second-half kick and drove 63-yards for a touchdown. The drive came on the strength of 9 straight running plays, while the score came on a 10-yard pass from Steve Wilson to Johnny Jones. Eddie Coleman deflected the extra-point attempt and caused it to fall short, but Brundidge was back in the game, trailing only 20-12 with 6:24 left in the third quarter.

An onside-kick worked to perfection to give Brundidge the ball back, and the Bulldogs got all the way to the Elba 36-yardline. Shane Meek made two big defensive-plays in-a-row to slow down the drive, and a fourth down pass fell incomplete as the Tigers turned back yet another Brundidge threat.

Elba took over on the 38-yardline and drove 62-yards on 9 running plays to score a big touchdown and again moved ahead by a pair of touchdowns! Don Horstead gained 27-yards during the drive and Mike Amison added 25-yards, but it was fullback Bobby English who notched the

score on a 1-yard dive. Dwayne Hooks kicked the extra-point to give Elba a 27-12 lead with 11:25 left in the game.

The Tigers got down to the Brundidge 27-yardline midway thru the final stanza, but were hit by a pair of penalties and couldn't recover. Brundidge couldn't get close in the closing minutes of

play, as Elba held on to post the win 27-12!

Don Horstead gained 91-yards in 16 carries to lead Elba, while quarterback Mike Amison rushed for 67-yards on 8 carries and hit one of 5 passes for 43-yards. Brundidge was led by Doug Reynolds with 134-yards in 26 carries.

Leaders on defense were Eddie Coleman (11 tackles & 4 assists), Doug Daniels (7 tackles & 4 assists), Ted Horstead (7 tackles & 1 assist), and Derrick Boutwell (5 tackles & 4 assists, plus 1 interception).

Brantley Pounds Ft. Deposit 31-0

The Brantley Bulldogs gave a large homecoming crowd plenty to cheer about last Friday night when they rolled to a lopsided 31-0 win over the Ft. Deposit Red Devils.

The win gave Brantley a final record of 3-7, while the loss left Ft. Deposit with a 2-8 slate.

Brantley kicked off to start the game and forced Ft. Deposit to punt. The Dogs took over on their own 39-yard line and began a march toward the Red Devil goal, behind the running of Terry Pease and Ricky Hall. Brantley got as close as the Ft. Deposit 22, but failed to convert on a 4th down and 3 situation and turned the ball over. The Devils didn't stay on their end of the field long, however, as Willie Robinson broke loose on a 68-yard run to the Bulldog 9-yard line. The threat was stopped on the very next play when Mark Hill intercepted a pass in the end zone and returned it to the Brantley 23. The Bulldogs promptly started another drive, and this time reached paydirt. The drive covered 77 yards in 11 plays, mainly on the strength of Terry Pease and Ricky Hall, and was climaxed when Pease scored on a 6-yard scamper. J.J. Foster added the p.a.t. to give Brantley a 7-0 lead with 11:56 left in the half.

Ft. Deposit couldn't move on its next series, and on fourth down tried a trick play deep in its own territory. The trick resulted in a 2-yard loss, with Brantley taking over on the Red Devil 17-yard line. It took only 3 plays to cash in on the break, as Ricky Hall scored on an 8-yard burst to up the Bulldogs' lead to 13-0 with 11:56 left in the game. The big "Green Defense" pushed Ft. Deposit back to the 6-yard line, and following a short punt, the Dogs were back in business. Dwayne Pitts and Willie Adams took turns hitting the Devil defense from their running-back positions, and moved in for a touchdowns in only 8 plays. Senior halfback Terry Pease notched the

score on a 6-yard run as Brantley's lead grew to 19-0 with 11:56 left in the game. A bobbled punt attempt on the Red Devils' next series gave Brantley the ball on the 21-yard line, and this time it took only two plays to score, with Terry Pease again doing the honors on an 18-yard scamper. The p.a.t. again failed, but it made little difference, as the Bulldogs owned a 25-0 lead with

move on its first possession and had to punt, with Kinston taking over way back on their 10-yard line. Larry Hataway, Albert Wilson and Jimmy Rodgers took turns running the ball and moved out to the 34, and then the Dogs stunned the Golden Bears on a 66-yard touchdown pass from Darryl Wilkerson to Scott Sansom. Albert Wilson ran in for the two-point conversion to tie the score at 14-14 with 1:57 still left in the first quarter.

The Golden Bears put the ball in good field position following a long kick return, and moved down the field on the strong arm of quarterback Mike Moore to cut the Bulldogs' lead to 14-13. Moore, a junior, completed 3 passes during the 53-yard march, and the score came on a 30-yard touchdown pass from Moore to Ronnie Green.

Moore passed to Tim Rodgers for the two-point conversion, as Coffee Springs pulled within 14-8 with 11:39 left in the first half.

Kinston put the ball in play on the 20-yard line following the ensuing kick, and marched 80 yards in 13 plays to score again. The drive moved to a first down at the Bear 11-yard line behind the running of Albert Wilson, who gained 36 yards in only 4 carries, but a holding penalty set the Dogs back to the 25. Coach Ricky Rainer called time-out to ponder the 2nd and 24 situation, and apparently came up with a game plan on the next play Darryl Wilkerson lofted a 25-yard scoring touch to Scott Sansom. Darren Smith passed to Jeff Rhodes for the 2-point conversion, and with 4:40 left in the half, Kinston's lead was up to 22-8.

Coffee Springs, behind the passing of Mike Moore, moved quickly to a first down at the Kinston 36-yard line. However, a pair of holding penalties and a 14-yard loss on a quarterback sack killed the threat, leaving the Bears with a 3rd down and 54 yard back on their own 21-yard line. Ronnie Green came in to punt on fourth down, only to have his kick blocked by Kinston's Kris Bowden. Kenny Davis caught the blocked kick in the air and returned it 5 yards to put the Bulldogs right back in business! Albert Wilson got the call on 3 straight plays and scored on a 1-yard plunge as Kinston took total control of the game. Phil Pope kicked the extra point as Kinston's lead grew to 29-8 with only :05 left in the half.

The Golden Bears received the second half kick, but couldn't move and had to punt. Kinston's Jimmy Rodgers took the kick at the 45-yard line, turned outside and sped all the way for a touchdown, only to have the score nullified by a clipping penalty. The penalty only delayed the score, however, as the Bulldogs marched 48 yards in only 4 plays to reach paydirt on their fifth straight possession. Albert Wilson broke loose for 31 yards on the drive's initial play, and then Jimmy Rodgers took over as he carried on 3 straight plays and scored on a 2-yard plunge. Phil Pope drilled the extra point to up Kinston's lead to 36-8 with 8:52 left in the third quarter.

Coffee Springs continued their passing performance on their next possession, and drove all the way to the 7:31 left in the game. Ft. Deposit's offense couldn't get on track on the following possession, but the Red Devils again gambled on fourth down, and again came up empty-handed! Brantley took over on the Devils' 35-yard line and wasted no time moving in for its final score. John Salter scored the touchdown on a 3-yard run, and much to the delight of the crowd, Brantley had the win 31-0!

Kinston's Larry Hataway ripped for 16 yards on first down to move the ball out to the 30, and then the Bulldogs showed they, too, knew how to throw! Darryl Wilkerson hit big tight end Jeff Rhodes on a 50-yard pass play, and then lofted a 20-yard scoring strike to the 6-4 receiver for a touchdown. Seventy Drivers Battle For Trophies At Elba Speedway

The Elba Go-Kart Speedway held another big evening of racing last Saturday night with 70 drivers competing for the coveted checkered flag. The track, located across the street from the airport, will

be open for two more weeks before closing for the winter. Track officials plan to re-open the speedway in March, 1981.

The "4-6 Stock" feature was a matchrace, with only 2 drivers entered. Claiming

the win was little Cindy Bryan. The "7-8 Stock" feature was also a two Kart affair, with Mike Armstead posting the win.

The "9-13 Stock" group was divided into two classes, with 6 Karts in each class. In the first class it was Bill Idol

posting the win, followed by Mark Bess and Steven Dean, while in the second group the winner was Craig Caldwell, followed by Bill Turner, Jr., and Scott McIntosh.

A total of 3 drivers entered the "Micro Midget" feature, and it was Pete Daugherty claiming the win over his brother, Joe Daugherty.

Pete Daugherty heads for the checkered flag.

New Brockton Gamecocks Begin

Practice In Hopes Of 2A Crown

If New Brockton's Coach Charles Cole seems more than a little anxious to get the 1980-81 basketball season started, it's with good reason.

The Gamecocks return all 5 starters from last year's club that posted a 19-9 record, and this year's team could just be headed for the State Tourney!

Coach Cole, in his 20th year of coaching, has already announced this will be his final season at the Gamecock helm, and the senior-dominated team would like to give their coach a going-away present he will never forget.

The returning starters for New Brockton this season include: Ricky Nelson, a 6-0 guard, that averaged 17 points and 4 assists per game season;

Fred Thomas, a 6-8 center, that averaged 12 points, 13 rebounds and 9 blocked shots a game;

Robert Wilson, a 6-2 forward, who averaged 17 points and 9 rebounds;

Otis Andrews, a 6-3 forward, who averaged 8 points and 7 rebounds; and

Joseph Burrows, a 6-0 guard, who averaged almost 10 points and 5 rebounds per game.

Other players expected to make the varsity squad are: Norris Smith (5-8), Kenneth Patterson (6-0), Ricky Purvis (5-9), Bobby Gouge (6-3), Galen McWaters (6-2), Darren Johnson (6-0), Terry McCrummen (6-4), and Reggie Williams (5-4).

"We started practice on Monday, November 3," stated Coach Cole in a recent interview, "and we ran conditioning drills and worked on fundamentals. All phases of our drills emphasize both conditioning and the basics of basketball, and they require hard work from everyone involved."

When asked about this season's schedule, Coach Cole declared, "It is frustrating. The schools in our class wouldn't play us, and we called every single school in our region. We ended up playing 2 schools in our class, three 3A teams, five 4A teams, and we're in two 4A tournaments. It's going to be a long, tough season."

We have more depth this year and that means we can afford to be more aggressive and take the risk of making fouls. I think we can have a good season if our seniors provide some leadership, and I hope my last season will be my best ever!"

includes 3A Ashford and 4A's Ozark and Northview. A tough opener, to say the least!

"All we'll hope for in the tourney will be to be in good condition," added Cole. "I know we'll make mistakes - I just hope we'll be in good enough shape to make up for it. The tourney will give us a chance to look at all the boys, and even though we will go out to win, everybody who dresses out will get a competitive to show just what they can do. I think we'll be competitive."
